SUBJECT: Renewal of Sealed Proposal for Intercollegiate Athletic Insurance #RFP-06-20

INFORMATION AND DISCUSSION: Dissinger Reed, LLC was awarded the sealed proposal for our Intercollegiate Athletic Insurance for 2020-2021 at a cost of \$50,768.00. This proposal has the option to renew the contract with this company for the standard traditional policy and catastrophic athletic injury accident plan for five (5) additional one-year terms. The first renewal proposal kept the annual premiums the same as the initial year of \$38,600.00 for the standard policy and \$12,168.00 for the catastrophic plan, even with the addition of two sports, men's golf and women's tennis.

The second renewal proposal had an increase for the standard policy to \$46,500.00 and a decrease for the catastrophic plan to \$10,526.00 for a total premium of \$57,026.00 for 2022-2023, which was an increase of \$6,258.00 from 2021-2022. This increase was due in part to two claims that struck the policy over the past two years, which saw injuries to a baseball and basketball player where expenses hit the \$25,000 medical maximum with both totaling over \$100,000.00 in billed charges.

The third renewal proposal had an increase for the standard policy to \$57,670.00 with the catastrophic plan remaining the same at \$10,526.00 for a total premium of \$68,196.00 for 2023-2024, which was an increase of \$11,170.00. The premium was determined by the past three years of claims. One reason for the increase was because in 2021-2022 the five largest injury claims had billed charges of \$370,442.00 but insurance only paid \$56,926.00, which was 15% of the billed charges. Another reason for the new increase was because we added two more sports, women's golf and men's tennis, which completed the athletic department growth of adding five sports over the past three years.

This fourth renewal proposal has an increase for the standard policy to \$67,500.00 with the catastrophic plan remaining the same at \$10,526.00 for a total premium cost of \$78,026.00 for 2024-2025, which is an increase of \$9,830.00. This increase in our premium is due to two surgeries this year on international student athletes who didn't have any primary insurance and consisted of the majority of our billed charges as well as the total medical charges during the past few years.

This renewal is for the same plan and benefits per the original specifications. Our experience with this plan and provider is they have an excellent ability to negotiate discounts and billings for our medical services. Benefits of our third-party claims' administrator, BMI, include strong communication, great to work with as well as playing a big part in processing and discounting our billed charges from providers.

Funds have been allocated in the current athletic budgets for purchase of this insurance. The standard policy will cover baseball, basketball, golf, softball, tennis and volleyball as well as student managers. The catastrophic plan will cover baseball, basketball, golf, rodeo, softball, tennis and volleyball. After review of the renewal proposal, Jeff Lightfoot, Interim Athletic Director and Jeanie Hobbs, Director of Purchasing, recommend award of this proposal renewal not to exceed budget funds as follows:

SUBJECT: Renewal of Commercial Charter Bus Service Contract #RFP-09-22

INFORMATION AND DISCUSSION: Weatherford College Purchasing Department issued Request for Proposals RFP-09-22 to commercial charter bus service vendors in an effort to establish a service agreement/contract for as-needed charter bus services. This solicitation focused on ability to accommodate transportation services, cost, qualifications, safety and experience, past service, and performance.

On June 9, 2022, the decision was made to award the agreement to Lone Star Coaches, Inc. with the option for four (4) additional one-year renewals. Weatherford College has completed the initial one-year contract that ended on May 31, 2023, as well as one renewal period that ended on May 31, 2024.

Lone Star Coaches's rates remained the same for the FY24 academic year, as agreed upon by both parties. In September 2023, Lone Star Coaches was acquired by Roadrunner Charters, Inc. New ownership has agreed to renew with Weatherford College for one year only at a rate increase that exceeds the 3% permitted by the original agreement's escalation clause. Exception to this provision requires specific written approval from the Board.

Roadrunner Charters agrees to continue to meet Weatherford College specifications and provide the best value on commercial charter bus services. Purchase of these services are based solely on availability of current funds and actual requirements; services may not be purchased if budgeted funds are not available.

To comply with the state law requirements of Texas Education Code Section 44.031, bids or proposals on all services \$50,000.00 or more must be approved by the Board of Trustees. Bob McKinley, Athletic Director and Melanie Parker, Assistant Director of Purchasing are requesting approval of the second one- year renewal term of this contract. The second renewal period will end May 31, 2025.

RECOMMENDATION: The Board of Trustees award renewal #2 of RFP-09-22 for FY25 services.

This solicitation focused on labor costs, vendor qualifications and experience, as well as ability to service both campuses.

On July 8, 2021, the decision was made to award the agreement to Able Mechanical, Enviromatic Systems Services, Inc., G&G Electric Service, Inc., and Infinity Contractors International LTD with the option for five (5) additional one-year renewals. AGENDA ITEM #5

SUBJECT: Consideration and Possible Action: Ratification of Real Property Purchases for Canyon West Real Estate lots 18 & 19R

INFORMATION AND DISCUSSION: On June 26, 2024, the Administration closed on Canyon West Real Estate lots 18 and 19R for the contract price of \$140,000 for lot 18 and \$165,000 for lot 19R, totaling \$305,000. The adjacent lots are located on Club House Drive, adjacent to the pool and pool house. Seller Shannon L. Parker accepted a total contract price that was \$20,000 below the total list price of the two properties. Although both lots were originally a part of the Canyon West Home Owners Association, the Canyon West HOA board has agreed to exempt lots 18 and 19R from participation in the HOA.

Board Policy CFG (LEGAL) states that cash purchases of real property made with available funds do not require that Board meet the requirements of the Public Property Finance Act. The funds utilized for the purchase were derived from unrestricted reserves, satisfying the rule. President Farmer, as the Board's designee, conducted negotiations with the seller.

PROPOSED MOTION: "I move that the Board of Trustees of Weatherford College ratifies the purchases of Canyon West Real Estate Lots 18 and 19R at the contract price of \$305,000."

RECOMMENDATION: Administration recommends that the Board formally ratify the purchases of Canyon West Real Estate lots 18 and 19R.

These include Advisory committee representation and the CLNA process for Perkins grants, aligning pathways for WFS funding, shared career services, support of high-risk students (economically disadvantaged, academically disadvantaged, and those over the age of 25), career fairs, kids' camps for high demand areas, and hosting WFS clients for supervised/paid work experiences on campus. Thank you, Merryl Carson and Dr. Ibe, for coordinating this event and for your leadership.

- **New Programs and Academic Standards Committee**

 - Weatherford College signed an articulation agreement with Angelo State University with a focus on pathways for Civil, Mechanical, and History programs. Thank you, Department Chairs Jared Stewart and Shelley Hampe, for your hard work and persistence in making the collaboration a reality.
 - Weatherford College and the UNT Health Science Center continue discussions on collaborations at the Dean and Vice President levels to further enhance pathways to doctoral programs from certificate, associate, and bachelor's degrees. Thank you to our deans for representing the college in this meaningful and engaging partnership.
- **Congratulations to Phi Theta Kappa on receiving the 2024 Hallmark Award.** The Hallmark Awards Program recognizes superior achievement in Phi Theta Kappa's programs while encouraging excellence, reflecting fairness, recognizing quality, and enhancing individual and chapter development. The College Project: Chapter Officers discussed two projects to present to President Farmer for consideration. The President chose to promote helping underprivileged pets at our local shelter with supplies and food. This project directly supports the College's mission to embrace a culture of excellence and enrich the communities it serves. Chapter members developed leadership skills by asking students and faculty as well as community members to participate in donating items for the shelter. The students and Faculty of the Vet Tech Department on campus collaborated with the Chapter to help make this a successful event. The Chapter also assisted the shelter at an adoption event at the annual Christmas on the Square in the downtown area. Chapter members helped take care of the dogs, introduced them to people who stopped by to pet and/or adopt, and exercised them on leashes. Weatherford College was positively promoted during this event! Special thank you to

our faculty, Karen Talbott and Ronald Epps in the Vet Tech Program, Department Chair Vance Christie, and the PTK Advisors Suzie Jary and Sharon Johnson

- One positive case of COVID, no flu or strep.

Student Ambassadors:

- Provided 34 individual tours in June.
- Provided 2 group tours with a total of 67 students.

TRIO:

- Student Support Services (SSS):
 - Last month, our TRIO Student Support Services (SSS) students had the opportunity to visit Texas A&M University and the University of Texas in Austin. These visits were highly enriching and provided our students with valuable insights into potential transfer institutions. Additionally, we visited the Bush Presidential Library in College Station and had an educational tour of our State Capitol. These experiences well-received and greatly appreciated by the students.
 - Currently, we are conducting interviews to select new students to join our program. We are aiming to replace the 57 students who graduated or transferred this past semester. Our team is dedicated to ensuring a smooth transition and providing the incoming students with the support they need to succeed.
 - As we prepare for the fall semester, our staff is diligently working on finalizing plans and activities to welcome both new and returning students. We are excited about the upcoming academic year and are committed to continuing our mission of supporting student success.
- Upward Bound (UB):
 - WC Upward Bound is celebrating its 25th Summer Academy. It is inspiring to know those first teenagers in 1999 are now middle-aged, with degrees, families, and fulfilling lives. Often, it is easy to dismiss teenagers and use labels like "typical" to encompass a broad range of behaviors.
 - The 42 students on Weatherford's Campus through June and July should only be described as extraordinary. They have dedicated six weeks of their summer to exploring literature, math, science, and the Greek language. They have forged new friendships with people who were strangers just weeks ago, and supported one another through laughter, tears, and even great pain. These remarkable young adults have demonstrated a notable capacity for engagement, generosity, and reliability while developing their own voices, perspectives, and plans for a better future.
- Talent Search:
 - Our Educational Specialist, Alonzo Carlton traveled to Washington D.C to serve as a National Student Leadership Conference (NSLC) Counselor for TRIO students all around the United States. Sabrina Hendricks took our three students who qualified to attend the NSLC to Washington D.C. The students participated at the NSLC for almost a week, and then our Record Specialist, Stacy Rhodes, went to meet and pick up our students and brought them back home.

- All of our Talent Search staff, including a faculty and staff member from Jacksboro High School, took 30 Jacksboro High School students for an overnight trip to San Antonio, TX. We took the students to tour University of Texas at San Antonio. They were able to walk the campus, and even meet with a TRIO-SSS student about their program on the campus. That evening we took the students to dine at Mi Terra Restaurant, and they had the opportunity to walk The Market, The Riverwalk, and view The Alamo (although that area was under heavy construction). The next day we traveled over to Texas State, where our very own Kamden Hutton (Kim Hutton's daughter), who plays softball at Texas State, was able to provide an amazing tour on campus for our kids. Our students dined on campus, and even had the opportunity to see the river that floats by on campus.
- Our team also took a group of 6-9th graders to IFLY to participate in a STEM Lab. After the lab was complete the students had the opportunity to suit up and try Indoor Skydiving.
- We have been assisting with our newly High School Graduate students who need help in finishing up with their college admissions check list.

Testing:

- June 2024 attendance was 13% higher than June 2023. We administered the TCOLE BPO test to the 17 WC daytime police academy cadets who had 100% pass rate. The Pearson Vue testing and faculty testing numbers were both up from June 2023 which added to the 13% increase. The demand for TSI testing is also increasing as we get closer to August.

International:

- Expected number of international students for the 2024-25 year is currently 71.
- Expected number of international student-athletes for fall is currently 33.
- Expected number of F1 Visa students for fall is currently 34.
- Number of international students that graduated or are expected to graduate by the end of summer is nine. Of those, seven are student-athletes.
- Fifteen international students are transferring out (seven of which are student-athletes).

Education Navigation (Catholic Charities):

- 33 current students are being advised and provided assistance.
- The Office of International Students met with members of Catholic Charities in June to become aware of the tools and people they have that can aid would-be WC international students but are caught up in the legal limbo being an immigrant, but one not having an F1 visa.

AGENDA ITEM #6.b.

SUBJECT: 2024-25 Budget Update

INFORMATION AND DISCUSSION: At the June board meeting, administration presented a proposed balanced budget based upon preliminary appropriations numbers received from the state. Since that time, we have received revised formula funding amounts from the state which show a slight increase in our 2024-25 funding over our 2023-24 funding. The state funding amounts are still in draft form until the Coordinating Board considers and adopts forthcoming rules governing the FY25 implementation of House Bill 8 sometime in July. Therefore, we have revised the proposed budget to reflect the revised state appropriations amount which results in revenues and expenditures totaling \$87,518,999.

We anticipate receiving final certified values from Parker and Wise County taxing authorities at the end of July. As a reminder, the 2024 preliminary taxable value estimates were received in April and include the following:

- The 2024 preliminary taxable value estimate for Parker County is \$26,532,936,322. This is an increase of \$696,772,041, representing a 2.7% increase in taxable values. Local Tax Revenue for Parker County is currently budgeted at \$27,917,397.
- The 2024 preliminary taxable value estimate for Wise County is \$14,058,070,510. This is a decrease of \$279,891,927, representing a 2% decrease in taxable values. Local Maintenance Tax Revenue for Wise County shows no change at this time pending final certified values from Wise County Appraisal District.

Other changes made to the budget since it was presented in June include:

- A decrease of \$76,688 in Canyon West Golf Course expenses.
- An increase of \$14,203 in General Institutional Contingency.
- An increase of \$3,650 in Campus Police expenses.
- An increase of \$11,000 in Athletics student travel.

Once we have received the final numbers on the state appropriations as well as the certified values from Parker and Wise County taxing authorities in late July, final adjustments to the proposed 2024-25 budget will be made and a final proposed budget will be presented to you for review at the Board workshop on August 5th.
