**WC Summer Loan Request 2025**

**I am requesting student loan funds for the Summer 2025 semester.**

**Loans are contingent upon:**

- **Financial eligibility;**
- **Completion of FAFSA for the academic year 2024-2025;**
- **Consideration of annual/aggregate loans already used at WC and any other schools attended;**
- **Completion of Entrance Loan Counseling;**
- **And completion of an MPN if applicable ([www.studentaid.gov](http://www.studentaid.gov)) to complete these requirements.**

**I understand that I must be enrolled at least 6 payable\* hours over the course of the summer in order to qualify for loan funding. If I am refunded my summer loan and later add other summer courses, I understand that I am responsible for payment of the additional hours and will not receive additional loan funds.**

- **I will receive an offer of the maximum amount allowed for summer based on the eligibility parameters listed above\*\*. I will have to log into my student portal (Coyote Connect) to accept, lower, or decline the offered summer loan funds.**

**By signing below, I certify that I understand I am requesting loan funds that must be repaid once I am no longer enrolled in school for at least ½- time. If approved, please allow up to one week from submission for your new loan to show on your Coyote Connect.**
